

# ADK Creative Works

The Department is delighted to partner with ADK Creative Works to present the following children's art series!

ADK Creative Works is a Co-Op where artisans and musicians share their creativity, whether it be teaching classes or marketing their handcrafted goods.

**All instruction provided by ADK Creative Works Educators.**

**All supplies and materials are included.**

## Pokémon® Paradise Ball!

For Pokémon® fans of all ages, join in the fun and create a Pokémon Paradise Ball (it's an artificial terrarium for Pokémon® characters)! This hands-on art project will unleash the POWER of each child's CREATIVITY!

FOR | Ages 5 & Up

WHEN | February 22 (Friday)

TIME | 9:00-10:00 am

WHERE | Queensbury WHBI School Cafeteria

FEE | Resident \$15; Non-Resident \$25

CLASS SIZE | Maximum 20

## Unicorn Spit 3-D Canvas!

Create a really cool 3-D canvas ocean effect with a press method and Unicorn Spit! Join us for some GREAT creative FUN!

FOR | Ages 5-16

WHEN | February 22 (Friday)

TIME | 10:30 am-12:00 pm

WHERE | Queensbury WHBI School Cafeteria

FEE | Resident \$15; Non-Resident \$25

# Safety First!

## Babysitter Safety Course with First Aid

Parent participation is strongly encouraged.

Participants will learn an assortment of safety techniques from various community agencies, including personnel from local Police, Fire, and EMS Departments. Designed to offer safety techniques and information to those who may be interested in babysitting. Participants will also receive instruction in basic first aid. The program is facilitated by the Queensbury Fire Marshal's Office and the Parks & Recreation Department. Parent participation is strongly encouraged.

FOR | Ages 12-15

WHEN | February 20 (Wednesday)

TIME | 1:00-4:00 pm

WHERE | Queensbury Activity Center, 742 Bay Road

FEE | Resident \$25; Non-Resident \$35

CLASS SIZE | Minimum 8; Maximum 20

# Vacation Week Programs!

February 18-22, 2019

## Activities to Keep Your Kids Busy Over Break!

Queensbury  
**PARKS & RECREATION**

# Mad Science

These engaging and amazing programs will not only enrich your child's intellectual curiosity; but also, get him or her excited about science and learning! Children will use analytical and critical thinking skills and explore topics in the science world. The kids will be having so much fun, they won't even realize they are learning!

We are thrilled to partner with **Mad Science of the Capital District** to offer the following outstanding and unique science programs! All programs are curriculum correlated and meet S.T.E.M. (Science, Technology, Engineering, and Mathematics) objectives. Professional equipment and materials will be used. All supplies are included. These programs will encourage team-building, as we work collaboratively to solve real-world S.T.E.M. problems!

All Mad Science educators hold Bachelor's Degrees in S.T.E.M.

## Rocketry in Space Camp

In this program, we will focus on rocket transportation, rocket staging, and advanced rocket launches. Campers will discover the advantages of rocket staging and discover how balance and stability are important to rocket design. The altitude tracker, that children will make, shows how high rockets fly. Children will use their feet to launch air-powered rockets. Campers will become part of a launch team to assist in a rocket launch. This exciting program ends with rocket launches the last half-hour of the camp!

This program is curriculum-correlated and meets S.T.E.M. (Science, Technology, Engineering, and Mathematics) objectives. Professional equipment and materials will be used. This camp will encourage team-building, as we work collaboratively to solve real-world S.T.E.M. problems! All supplies are included.

FOR | Boys & Girls, Grades K-5

WHEN | February 21 (Thursday)

TIME | 9:00 am-12:00 pm

WHERE | Queensbury WHBI School Cafeteria

FEE | Resident \$30; Non-Resident \$40

CLASS SIZE | Minimum 10; Maximum 20

**NOTE: Please have your child bring a drink and a nut-free snack.**

*Note to parents: For your child's safety, please inform the Department Staff, at the time of registration, and the instructor of any known allergies that exist for your child!*

[thecapitaldistrict.madscience.org](http://thecapitaldistrict.madscience.org)

## Animal Friends Workshop

Roar with the lions and explore the animal kingdom. Learn about different types of families and how to talk like the animals. Examine a variety of animal coverings such as fur, fins, and feathers. Transform into your favorite animal when you create your very own mask to take home! It's crazy critter fun for the kiddos!

FOR | Grades 3-6

WHEN | February 20 (Wednesday)

TIME | 10:00-11:00 am

WHERE | Queensbury WHBI School Cafeteria

FEE | Resident \$15; Non-Resident \$25

CLASS SIZE | Minimum 10; Maximum 14

*Please note: Three-year-olds must be potty-trained or accompanied by a parent.*

## Reach for the Sky!

**Engineering and Rock Climbing FUN!**

We are excited to offer this fantastic program, featuring two popular elements that kids love — engineering and climbing! We partner with **Mad Science and RockSport** to bring this awesome opportunity to your child!

Children will be **structural engineers** and build a tower that rises high, enjoy a snack which is provided, and have a blast as they rock climb to reach new heights!

**TOWERS – BRIXOLOGY LEGO®:**

Reach for the sky! Find out how structural engineers use ideas from physics to solve problems. Work together to build a structurally sound tower with a working elevator, then test and improve your design for strength and stability. A take-home is provided for our young engineers.

**ROCK CLIMBING:**

Children will learn basic skills, techniques, and climbing strategy. RockSport instructors will be monitoring the children as they have so much fun climbing at the spectacular, state-of-the-art RockSport facility!

All materials, supplies, equipment, and a snack are included.

It will be a great afternoon for the kids! Let's ROCK this perfect combo and reach for the sky!

FOR | Boys & Girls, Grades K-5

WHEN | February 20 (Wednesday)

TIME | 1:00-3:30 am

WHERE | RockSport, 54 Carey Road, Queensbury

FEE | Resident \$45; Non-Resident \$55

CLASS MAXIMUM | 20

**NOTE: The completion of a RockSport waiver is required.**

*Note to parents: For your child's safety, please inform the Department Staff, at the time of registration, and the instructor of any known allergies that exist for your child!*

Real hands-on  
Science ...  
Pure Science  
FUN!

## School of Fish

It's Back by Popular Demand — Extraordinary Program!

We are thrilled to offer this unique, one-of-a-kind program and partner with our friends at Benson's Pet Center! A Benson's educator will discuss the care and handling of your child's new pet — a Betta Fish!

Children will learn about proper care and the responsibility of caring for a new member of the family! They will set up a tank and bring it home with a Betta. To make transport easier and safer for the fish, they will bring the tank home with no water, the Betta in a cup (all in a box for carrying), and a gallon of pre-treated water to use once you arrive at home. Included will be care sheets, a small tank, substrate (gravel) for the tank, deco items for inside the tank, a gallon of safe water, starter food, a Betta fish, and a coupon valued at \$5 for a future purchase for your wonderful, new pet fish! Kids can bring special deco items from home, too. Small, plastic figurines make great tank additions.

FOR | Boys & Girls, Ages 5-12 (Children under 8 may wish to bring a parent.)

WHEN | February 19 (Tuesday)

TIME | 10:00-11:00 am

WHERE | Queensbury WHBI School Cafeteria

FEE | Resident \$25; Non-Resident \$35

CLASS SIZE | Minimum 10; Maximum 25

Parents are  
welcome!  
GREAT Value!

## Pebblecrusher Camp!

In response to the very popular Pebblecrusher program, RockSport has initiated the "PC" Camp! This week-long camp will be held at the new, state-of-the-art **RockSport** facility. It will feature climbing components, as well as, challenge course and team-building activities.

This is a great way to add some awesome fun to your child's week off from school!

FOR | Boys & Girls, Ages 5-8

WHEN | February 18-22 (Monday-Friday)

TIME | 9:00-11:00 am

WHERE | RockSport, 54 Carey Road, Queensbury

FEE | Resident \$135; Non-Resident \$145

CLASS SIZE | Minimum 6; Maximum 12

**NOTE: The completion of a RockSport waiver is required.**

*Note to parents: For your child's safety, please inform the Department Staff, at the time of registration, and the instructor of any known allergies that exist for your child!*
