1. **Start time of early games** – having enough daylight to complete the 7:00 p.m. games is difficult in the early season, therefore, the normal 6:00 p.m. start time will be adjusted during the first 5 weeks and games will begin at 5:50 p.m. (6:01 pm FORFIET) for all games scheduled through May 30<sup>th</sup>. 2. **Illegal bats** – **Check to see if your bat is legal for play** (www.asasoftball.com). If your bat does NOT appear on the ASA approved bat list, it will be considered illegal for play. **A DECISION WILL BE MADE PRIOR TO THE START OF THE SEASON REGARDING HOW BATS WILL BE USED:** League sponsored bats vs. each team provides 2 bats – game played with 4 bats to choose from.

That player must notify other teams by June 7<sup>th</sup>, which team they will choose for playoff games. **No more than 5 “A” players on a “B” team – see rule H-3.**
9. **BATTER COUNTS** – All batters will begin each at bat with a 1 ball/ 1 strike count for ALL games played.

**ROSTER CHANGES – Games Played:** The requirement of a minimum 2 games played for each ball player has been eliminated – so too has the procedure of circling players playing in games each night. However, players must be added to your official roster in order to be able to play in the playoffs. A roster is still required to be a maximum of 25 players only.

**Adding/Deleting Players:** Players can be added or deleted to rosters by e-mailing the Department or writing the players first name, last name and town on the nightly game sheet – space will be provided. We have relaxed the requirement of having full player addresses or phone numbers – this will be a test year and be reevaluated at the end. **Players can be added to and play on a maximum of ONE roster/ONE team per night.**
