

Awesome Art Classes!

These art classes are not only a blast, but allow children to express themselves creatively and learn about different forms of art. Join us to bring out the artist in your child and let's have some creative fun!

Please have your child wear old clothes or bring a smock.

Please send your child with a nut-free snack and drink each day.

Note to parents: For your child's safety, please inform the Department Staff, at the time of registration, and the instructor of any known allergies that exist for your child!

YAY! CLAY!

This 5-day workshop is an opportunity to explore hand-building techniques and throwing on the potter's wheel. Every child will have his/her own potter's wheel for use, too! Each participant will create a bowl using objects to create texture and personal style, as well as, complete a thrown vessel on the wheel. The participants will be able to glaze their works and experiment with glazing techniques. This is a great opportunity for young artists to take a simple lump of clay and turn it into something magical!

THE FRANCES YOUNG TANG TEACHING MUSEUM AND ART GALLERY
AT SKIDMORE COLLEGE PRESENTS ...

ART WORKSHOP WITH THE TANG!

The talented and delightful TANG educators will inspire and help us to create amazing art projects! They will present incredible images to motivate the creative process. Join the Tang Museum as we explore artworks around the theme of A Universe of Stories and create our own artworks using a variety of materials!

This hands-on art project will provide an opportunity for teaching, learning, and understanding issues raised by current exhibits at the Tang, while offering children the chance to express themselves.

The Parks and Recreation Department is thrilled to partner with and welcome back the Tang Teaching Museum to offer this sensational program!

For more information about the Tang's exhibitions and programs, please see www.skidmore.edu/tang.

IT'S AN OUT-OF-THIS-WORLD BASH!

Program Instructor, Tara Allen of Bash Parties

At our Out of this World Bash, each kiddo will travel through space with us to become Space Spies and make some universally awesome sweets! To start the program, our spies will go on a slew of astronomical activities like searching for lost planets, sending mini marshmallow cargo to the International Space Station, and dodging aliens in our obstacle course. If they're successful in their missions, our spies will go home with a spy kit that contains sunglasses, a mustache disguise, mini flashlight, invisible ink pen, spy notebook, and magnifying glass. Then, we'll switch gears to sweets where our newly minted Space Spies will decorate a chef hat, try their hand at making a decorating bag, and make a UFO cupcake and Rocket cake push-up pop. It's sure to be an adventure of galactic proportions!

All supplies and materials are included.

FOR | Ages 7 & Up

WHEN | July 9 (Tuesday)

TIME | 1:00-2:30 pm

WHERE | Gurney Lane Recreation Area Pavilion

Note: In the event of inclement weather, we will hold the program at the Queensbury WHBI School, Classroom #117.

FEE | Resident \$23; Non-Resident \$33

Note to parents: For your child's safety, please inform the Department Staff, at the time of registration, and the instructor of any known allergies that exist for your child.

IT'S A CAKE BASH – CUPCAKE DECORATING FUN & MORE!

Program Instructor, Tara Allen of Bash Parties

Children will learn basic decorating techniques and design their own cupcakes like a pro! Not only will they have fun decorating them, they get to enjoy eating one, too! Our young pastry chefs will decorate three cupcakes, one to eat and two to bring home ... who gets dibs on the extra cupcakes? Yum!

To add a little extra fun to this party, we will design and decorate personalized aprons, too! We will top it all off with a twist on traditional party games.

Such a sweet treat on a summer afternoon!

All supplies and materials are included.

IT'S A MERMAID BASH!

Program Instructor, Tara Allen of Bash Parties

Make a splash at our Mermaid Bash! Everyone can be a mermaid for a day at this fun-filled program. We'll hang out in the Mermaid Bash Tents, get cozy in our mermaid tail blankets, play games like Treasure Chest Jewel Hunt and Mermaid Charades, and learn our fortune with the Fortune Fish. Then it's time to make Mermaid Slime! We'll finish our under-the-sea adventure decorating an octopus cupcake and playing seaweed limbo. All of our mermaids will take home their slime and a sequin pencil case that contains Goldfish™ crackers, a pearl necklace, a mermaid scratch craft, and a squishy fish toy. Let's dive right in for a super, swimmingly fun time!

All supplies and materials are included.
