

HISTORY OF THE NATURE PRESERVE

Hudson Pointe Nature Preserve is a project of the Open Space Institute, Inc. with the support of the Town of Queensbury. OSI is a nonprofit land conservation organization which works to conserve the landscape of the Hudson River Valley and other areas of New York State. The Preserve includes 83 acres donated to OSI by Hudson Pointe, Inc., a subsidiary of the Niagara Mohawk Power Corporation. Funds for planning and improvements were provided by the Lila Acheson and Dewitt Wallace Fund for the Hudson Highlands, created by the founders of Readers Digest Association, Inc. Other materials and labor were donated by Curtis Lumber, The Michaels Group, the volunteers of the Hudson River Preservation Group, Southern Adirondack Audubon, and Queensbury Cub Scout Pack 16 and others.
