

2023-2024 | TERM 2

PRESCHOOL AQUATICS &

Learn-to-Swim LESSONS

AT QUEENSBURY ELEMENTARY SCHOOL POOL

The Learn-to-Swim program classes are designed to improve each child's swimming skills at his or her own pace. Because swimming requires advanced motor coordination that requires considerable practice, it is not unusual for a student to stay at one skill level for more than one session. For more accurate placement of your child in our swimming lesson program, please refer to the detailed skills sheet for each level, available at the Department Office or online at recreation.queensbury.net. Classes are offered Saturday mornings for 5 consecutive weeks.

LEARN TO SWIM: STROKE DEVELOPMENT (LTS3) (1/2 HR.)
Able to hold breath under water, front and back glide, combined stroke front/back, and kneeling dive.

For children who have passed PSA2. Stroke coordination and improvement. Introduction to elementary backstroke, kneeling dive from side of pool, all stroke kicks, rotary breathing, and safety and survival skills.
