We need your help! VOLUNTEER COACHES

A successful rec. soccer program requires volunteer coaches for each team. Whether you team up with another parent or not, a background in soccer is NOT needed. Northern United Soccer Club will provide on-field support and trainers that will give our coaches all the tools necessary to lead their team. Program focus is placed on skill development, teamwork, fair play and FUN!

All volunteer coaches will receive a credit voucher toward future programs upon completion of the season.
